**No Walk Ins - Must Be Registered**

Registration is $18 & includes catered lunch (non-refundable).
Registration is due February 20, 2012.  **No Walk Ins**

Please complete & return the registration form to reserve your class.

Make 1st & 2nd choices for each Session! Make check payable to: Parkland Master Gardeners
The Parkland Master Gardeners and the St. Francois County Extension Center are pleased to present the 14th Annual Parkland Gardening Symposium.

University of Missouri Extension trained Master Gardeners & other experts will present seminars to help you learn more about a variety of interesting topics. Check inside for more!

This program will be held **March 3, 2012**, on the Mineral Area College (MAC) campus. Take Hwy 67 north of Farmington to the Park Hills/Leadington exit and turn into MAC. Take Dixie Kohn Drive past student housing (on left) & enter student parking lot on left. Park here or continue to Staff Parking (as space allows) at the Technology Entrance at the bottom of hill. Registration will be at Technology Building Lobby. (2 story glass entrance)

We look forward to seeing you **March 3rd**!
